SUBJECT :

: War Planners' Conference

1. A CIA War Planners' Conference is scheduled to be held at Headquarters during the week 16-20 January 1956. The purpose of this conference is to provide a forum for discussion of CIA overseas War Planners' problems. All CIA War Plans Groups have designated representatives to attend the conference. A similar conference was held last year and developed into a most interesting and profitable exchange of views with overseas War Planners.

2. I wish to extend an invitation to you to attend this conference, to the extent that your available time will permit, and am sure that you will find it well worth while.

3. A copy of the Conference Agenda is inclosed herewith. I believe that you will find the following agenda items of particular interest:

Item 2. b. (2), KUBARK Concept Meeting UW Requirements;

Item 2. f., UW Intelligence Support; and

Item 2. g., Mobilization Planning.

A definitive program, to include timing, is currently being developed in collaboration with the Headquarters staff elements responsible for presentation of each subject. A copy of this program will be forwarded to you as soon as it is finalized.

4. I trust that you will give favorable consideration to this invitation and will anticipate your participation.
